22. (Unclassified - DFM) LIAISON Received a call from Lot Cooke, Senate Select Committee on Intelligence staff, who said the Committee wants to return to the Agency the materials submitted on the MKULTRA program and would not need it kept in an easily retrievable form. Cooke also asked me for the dates of compartmented security briefings for two Committee staff members.

✓23. (Unclassified - DFM) LIAISON Received a call from Abram Shulsky, Senate Select Committee on Intelligence staff, who said in connection with the Committee's study on the Frank Snapp case, the staff would like to see depositions filed in the U. S. Government suit against Snapp.

✓24. (Unclassified - DFM) LIAISON Received a call from George Moses, in the office of Representative Robert Leggett (D., Calif.). Moses informed me that a constituent had asked Congressman Leggett's assistance in obtaining munitions for sale abroad. Moses indicated that the list of munitions the constituent was seeking was enough to overthrow a country and thought we might be interested in this matter, although the constituent refused to reveal the identity of his overseas buyer. I thanked Moses for thinking of us and told him I would be back in touch if we wanted to follow this up.
